

MATRIX

CENTER OF INTELLIGENCE. **EDGE OF PERFORMANCE.**

The perfect symbiotic relationship of style and function. A full-dot matrix - high resolution display, packaged in a sleek metal housing; displays time, diving - decompression data, and a digital compass. Like many modern devices, the Matrix offers rechargeable batteries. Highly intuitive to use and easy to read guarantee the Matrix will be your choice of companion in and out of the water. **Be intelligent. Take the edge of performance.**
